## Chapter 1 by Money Bags

Trudging through the woods being tripped and hit by all sorts of twigs and branches the old smelly dog's breath struck my neck. I had a troublesome time trying to get away from the glatigator which is the Queens most powerful beasts Which is a mixture of gladiator and alligator . Oh I almost forgot My name is Daniel I live in this crazy place called Delodor and it ruled by a cruel and evil queen. When she gets bored she has her castle guards deploy in to the village and seize a peasant for whipping at her castle and that peasant was me and I managed to escape.
